

Our Kids: Our Business My Call to Action

Our Kids: Our Business Pledge:

My Call to Action:

I believe our children are owed a safe community; a nurturing environment where all kids can become connected to the resources they need to live healthy and fulfilling lives as caring and competent citizens. In furtherance of my commitment to this mission, I support the "Our Kids: Our Business" campaign and agree in the coming year to take specific action in support of the Five Promises.

Five Promises to our Children

1. Caring Adult
2. Safe Places and Constructive Activities
3. A Healthy Start and Future
4. Effective Education for Marketable Skills
5. Opportunities to Serve

Actions can be big or small and can address any one of the above promises, such as:

- * Be a caring adult who asks a neighbor about their school activities.
- * Serve an organization that supports healthy youth and families.
- * Donate time or money to a cause that supports healthy youth and families.
- * Allow youth opportunities to serve in your organization.
